- * Transportation from all corners of Tirupati, Renigunta, Srikalahasti and Chandragiri (College Buses)

Chadalwada Ramanamma Engineering College, fondly known as CREC, was established in amidst pleasant environs of 131 Acre Sprawling Campus in the world famous temple city – Tirupati.

We firmly believe that the priority for our country is high quality technical education and we have been instrumental with a dynamic new pedagogy that can foster innovative thinking, values and employability skills in each one of our students.

It is our vision to provide all the facilities and make all our students professionally superior and ethically Strong. We firmly believe that only such graduates with values and professionalism can contribute for the development of our society and mankind.

We have been successful in helping our students gain creativity, thinking skills, analytical skills, interpersonal and communication skills and leadership skills with a strong base of academics will be advantageous to them in the future. CREC has qualified and dedicated faculty members.

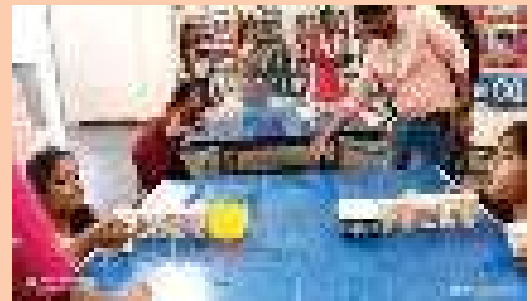

The class rooms and labs of the colleges are best –in-class, well equipped and sophisticated. The labs are regularly upgraded in order to stay advanced. The campus is Wi-Fi enabled with 24x7 internet facilities in the department and hostels.

The college results and placement record bear testimony to the high standard of education provided by the institution. Most of our students are working in top class MNCs all over the world. Many of our students could be offered in more than 17 top class MNCs with highest salary package upto 9 lakhs CTC.

We look forward to welcoming you to CREC where we can prepare you for a bright and positive future in the world of work or further study.

Dr. Bhaskar Patel
M.Tech., PhD., (U.K)
Principal & Director
Krishna Teja Group of Institutions, Tirupati
