CHADALAWADA RAMANAMMA ENGINEERING COLLEGE

(AUTONOMOUS)

Chadalawada Nagar, Renigunta Road, Tirupati – 517 506

Approved by AICTE New Delhi & Accredited by NAAC with "A" Grade

An ISO 9001:2015 Certified Institution

LIST OF NSS STUDENTS(AY 2019-20)

S. No.	Name	Student enrollment number
1	ALLUMALLI JAGADEESWARI	19P11A0201
2	BOJJA SIVA KUMAR REDDY	19P11A0202
3	ATMAKURI KALYAN KUMAR	18P15A0201

BLOOD DONATION CAMP
Organized by NSS Cell – CREC
22-09-2022

A great initiative of organizing a blood donation camp was taken by CREC, Tirupati on 22nd Sep 2022, Thursday in the college campus by the NSS Unit of the college and in association with NTR Trust. The donors were asked to fill a medical form to give details about their health-related information. Before the donation, checking weight, pressure, and body temperature were measured so that the one donating blood does have to face further.

The programme was organized with a motto of developing moral values among the students. The programme was huge success and almost more than 95 students voluntarily donated their blood. Mr Sumanth, Mr. Mahesh, Mr.K. Vamshi, Mr. Yugandhar IV B.Tech acted as student coordinators and played a key role in motivating students for contribution of their services. A Certificate of appreciation, donation card, and refreshment was given to each donor as a token of gratitude. The faculty of respective departments along with the principal took part in this great program organized by the institution. The principal acknowledged the college authority and the college NSS Unit for such great initiative and said to have more such programs.

Report on
Engineers Day Celebrations
Organized by NSS Cell – CREC
15-09-2022

Engineering is not merely knowing and being knowledgeable; engineering is not merely analysis; engineering is not merely the possession of the capacity to get elegant solutions to non-existent engineering problems; engineering is practicing the art of the organized forcing of technological change.

Engineers play a vital role in the development of a nation. Different parts of the country celebrate Engineer's Day to appreciate the contribution of engineers.

Every year September 15 is celebrated as Engineers' Day in India to commemorate one of India's finest engineers, Mokshagundam Visvesvaraya. M Visvesvaraya is considered one of the foremost nation-builders, creating marvels upon which modern India was built. He was referred as the 'precursor of economic planning in India', according to the Institution of Engineers India (IEI). M Visvesvaraya is also known as 'VM Sir' due to his various contributions to the field of engineering and being a pioneer of education.

Born on September 15, 1861, in a small village called Muddenahalli in Karnataka, Visvesvaraya received a degree in civil engineering from Pune College of Engineering. His expertise was in the fields of irrigation and flood disaster management. He rose to fame with his groundbreaking works in these fields with modern irrigation techniques as well as flood control and mitigation.

He later patented and installed an irrigation system with water floodgates at the Khadakvasla reservoir near Pune to raise the food supply level and storage to the highest levels. This was also installed at Gwalior's Tigra Dam and Mysuru's Krishnaraja Sagara (KRS) dam, the latter of which created one of the largest reservoirs in Asia at the time.

While serving as the ~~Director~~ ^{Commander} of Mysore, he was awarded 'Knight' in 1915 as a commander of the British Indian empire by King George V. He received the Bharat Ratna in 1955, became a member of

CONSTITUTION OF INDIA & HUMAN RIGHTS

Organized by NSS Cell – CREC

05-09-2022

NSS Unit organised a program on Constitution of India & Human Rights in association with Sowdhaan (AN INSTITUTE OF PUBLIC JUDICATURE – VOICE FOR JUSTICE). In this program principal & director Dr. Bhaskar Pater garu, honourable chairman Dr. Chadalawada Krishna Murthy garu and founder President of Sowdhaan Madhusudhan Jalligar attended and addressed the gathering.

Sowdhaan is formed to address the people's issues and work with a missionary zeal and move towards resolving them by interacting with the government. It is India's first voluntary organization which is formed with people having noble intentions to get the government's services directly reach millions of deserving people. It acts as a bridge between the government officials and the scores of people at the receiving end.

Madhusudhan Jalli explained the objectives of **Sowdhaan**:

This is not restricted to an individual. It is open to all who wants to serve the common public. Any member having high ideals to serve the nation and willing to go the extra mile in bringing benefit to the common man, can be a part of Sowdhaan. Anyone willing to directly or indirectly coordinate with the public and government departments can join the organization. There are no barriers in terms of caste, creed or region. Religion, gender, race. Anyone can render their selfless service within the ambit of the goals of Sowdhaan.

At last Prizes distributed for top three students and ten consolation prizes who performed well in short objective test on Constitution of India & Human Rights.

Report on
Teachers Day Celebrations
Organized by NSS Cell – CREC
05-09-2022

Teachers' Day is a special day for the appreciation of teachers, and include celebrations to honor them for their special contributions. The day is celebrated in India to mark the birth anniversary of Dr. Sarvapalli Radhakrishnan who was a staunch believer of education and was a well-known diplomat, scholar, the first President of India and above all a Teacher. When Dr. Radhakrishnan became the president of India in 1962, he was approached by some of his students and friends and requested him to celebrate his birthday. In reply, Dr. Radhakrishnan said, "Instead of celebrating my birthday separately, it would be my proud privilege if September 5 is observed as Teacher's Day". The request showed his love for teaching profession. From then on wards the day is celebrated as Teacher's Day in India.

CREC organized the Teachers day on 5th September in CSE Seminar hall at 4'O clock. The principal and Director Dr. Bhaskar Patel and all the faculty members has attended the programme to make the event successful.

The programme has begun with the lightening of the lamp by the higher authorities and Dr. Bhaskar Patel have shared their valuable experiences with their teachers. They have also delivered their valuable speech about the importance of teacher's day with regard to memorise Dr. Sarvepalli Radhakrishnan. They have also mentioned in their speech that teachers should bring change in each and every individual which symbolises the actual success of a teacher

All the faculty members of CREC have participated in the teacher's day events to make the programme successful one and felicitations have been performed to the outstanding faculty members for the academic year 2021-22. Dr. Raja Sekhar, Head of the Department of MBA has drawn Dr. Sarvepalli Radhakrishnan's picture with his artistic creativity and he has also

delivered his poem to give a message that teachers play a prominent role in the society. Mr. Mohammed Rafi, Associate professor, English has delivered his valuable speech about the importance of being a teacher and instincts that a teacher should follow. All the remaining faculty members have made the programme a successful one with their active participation in the events.

Report on **TOBACCO AND CANCER AWARENESS SESSION**

Organized by NSS Cell – CREC
28-06-2022

A session on 'tobacco and Cancer Awareness' was jointly organised Sri Venkateswara Institute of Cancer Care & Advanced Research (SVICCAR) and CREC NSS Unit. In this session Principal, NSS Program Officer, Faculty Members, NSS Volunteers and students attended. Mr. Hemanth and Dr. Bhargav, who participated in the session, spoke on the ill-effects of tobacco on the environment apart from the health of smokers and passive smokers. Those who were addicted to tobacco and have recovered from COVID-19 have higher chances of getting cancer. They should quit tobacco immediately, the doctors said.

In India, the incidence of cancer is increasing rapidly; therefore it is important to step up cancer literacy and knowledge amongst the population.

Cancer is a disease in which some of the body's cells grow uncontrollably and spread to other parts of the body. Cancer can start almost anywhere in the human body, which is made up of trillions of cells. Normally, human cells grow and multiply (through a process called cell division) to form new cells as the body needs them. When cells grow old or become damaged, they die, and new cells take their place.

Cancer is one of the biggest health challenges we face today. Each year, millions of people are diagnosed with cancer around the world, and unfortunately more than half of the patients eventually will not survive. With nine million deaths, Cancer is the second-leading cause of death worldwide and to make it worse, The National Cancer Survivors Day Foundation predicts that that by 2026, more than 20 million people will be living with cancer or be survivors of cancer.

Students can play a vital role in this fight and it's our duty to be a part of it. Some of the most effective steps to prevent cancer is by reducing your chances of exposure to cancer related risk factors such as tobacco and alcohol, obesity, physical inactivity, infections, environmental pollution, work

DIRECTOR
Chadala Wada Ramamma Engineering College
(AUTONOMOUS)
TIRUPATI

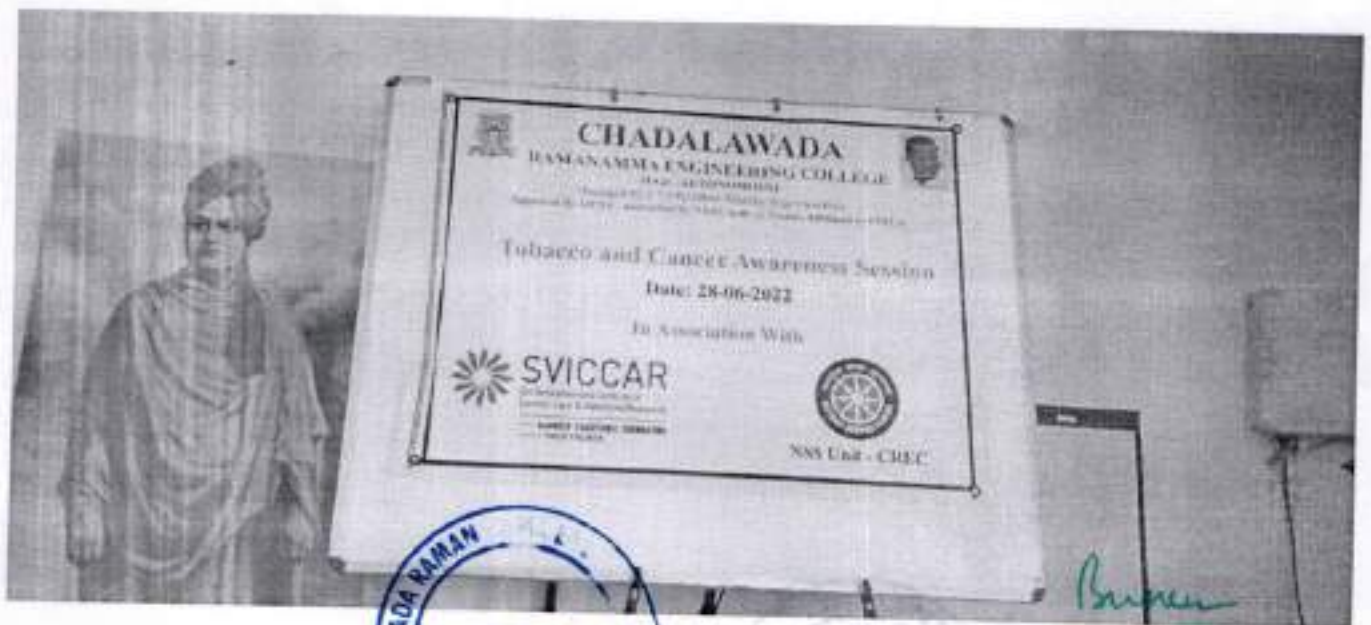

related carcinogens and exposure to other radiation. Five major areas where students can play significant roles in our fight against cancer are

1. Awareness about the usage of Alcohol and Tobacco
2. Importance of diet and nutrition, Food habits
3. Importance of physical activity and overweight issues
4. Importance of self-awareness, early detection and treatment of cancer
5. Raising funds for cancer victims.

Cancer can start almost anywhere in the human body, which is made up of trillions of cells. Normally, human cells grow and multiply (through a process called cell division) to form new cells as the body needs them. When cells grow old or become damaged, they die, and new cells take their place.

Tobacco use is the cause of about 22% of cancer deaths. Another 10% are due to obesity, poor diet, lack of physical activity or excessive drinking of alcohol. Other factors include certain infections, exposure to ionizing radiation, and environmental pollutants. The most common types of cancer in males are lung cancer, prostate cancer, colorectal cancer, and stomach cancer. In females, the most common types are breast cancer, colorectal cancer, lung cancer, and cervical cancer.

I attended one day workshop of "Connecting Farmers with Technology - An Interactive Session on Need Identification and Technology Intervention", conducted at TR Kandriga Village, Vadamalapet Mandal. The Workshop was organized by Rural Technology Action Group (RuTAG), IIT Madras and Jointly by **Glovill Foundation**.

The workshop envisages bringing together farmers and their problems in the field of rural technology solutions.

Prof.Deshpande (IITMadras) explained the vision and mission of **RuTAG**.

Prof. Sunil (IIT Tirupati) explained the transformation from agri-wastage to Bioethanol.

Whatever farmers facing problems in real situation they explained to RuTAG team and the team said again they will come after 6 months with possible solutions.

Ex: Farmers facing much difficulty while doing weeding (related to Paddy Fields).

Along with me Mr. Mahesh (III B.Tech Mechanical Engineering Department) Mr. Vamshi (III B.Tech Electronics and Communication Department) students attended.

Report on
INTERNATIONAL YOGA DAY
Organized by NSS Cell – CREC
21-06-2022

International yoga day

Yoga is a simple and effective way to energize and recharge the body and mind. Since 2015, International day of yoga is celebrated on June 21st, every year because it is the longest day of the year in the Northern hemisphere and has a special significance in many parts of the World. International day of yoga was declared unanimously by the United Nations General Assembly (UNGA) and the date was suggested by Indian Prime Minister Narendra Modi. It is a matter of pride for all the Indians that "Yoga" has got the recognition at the global level. We should be obliged to our ancestors for giving us such an invaluable gift. Yoga not only provides physical and mental relaxation but also develops strength and resilience. The numerous benefits of Yoga make it a popular practice for people across the globe, especially in times of a pandemic when mental and physical health is under stress.

According to the United Nations, the theme for International Yoga Day 2021 is 'Yoga for Well-Being' and how the practice of Yoga can promote the holistic health of every individual. It further elaborates on how the COVID-19 pandemic has caused a huge psychological impact along with the fallouts on the physical health front. "The message of Yoga in promoting both the physical and mental well-being of humanity has never been more relevant," read the official note on International Day of Yoga.

The World Health Organisation (WHO) has mentioned Yoga as a means to improve health in its Global Action Plan for physical activity 2018-30. UNICEF (United Nations Children's Fund) says children can practice many yoga poses without any risk and get the same benefits that adults do. These benefits include increased flexibility and fitness, mindfulness and relaxations.

Dr. Bhaskar Patel, Principal said, 'Yoga is an invaluable gift of ancient Indian tradition.' He narrated various events caused to celebrate International Yoga day all over the world. Dr. P.Ramesh Kumar, Dean(Academics) said that Yoga is the best medicine to solve problems and to keep away from

Report on
SPECIAL CAMP
Organized by NSS Cell – CREC
14-03-2022 to 19-03-2022

INTRODUCTION:

NATIONAL SERVICE SCHEME popularly known as NSS was launched in Gandhi's Birth Centenary Year 1969, under the Ministry of Youth Affairs & Sports Govt. of India. The scheme was launched simultaneously in 37 Universities involving 40,000 students with primary focus on the development of personality of students through community service and promotion of National solidarity.

In India, the idea of involving students in the task of national service dates back to the times of Mahatma Gandhi, the father of the nation. The central theme which he tried to impress upon his student audience time and again was that they should always keep before them, their social responsibility. The first duty of the students should be, not to treat their period of study as one of the opportunities for indulgence in intellectual luxury, but for preparing themselves for final dedication in the service of those who provided the sinews of the nation with the national goods & services so essential to society. Advising them to form a living contact with the community in whose midst their institution is located, he suggested that instead of undertaking academic research about economic and social disability, the students should do "something positive so that the life of the villagers might be raised to a higher material and moral level".

NSS works on the premise that it is possible to awaken the villagers and slum dwellers to their responsibilities and develop in them the confidence, to tackle their common problems with energy, enthusiasm and in a co-operative spirit, based on mutual aid and self-reliance. The role of students is limited as activists, enablers, catalytic agents with wider communities and as programme aids.

DIRECTOR
Chadalawada Ramanamma Engineering College
(AUTONOMOUS)
TIRUPATI

The main objectives of National Service Scheme (NSS) are:

- Understand the community in which they work.
- Understand themselves in relation to their community.
- Identify the needs and problems of the community and involve them in problem solving.
- Utilize their knowledge in finding practical solutions to individual and community problems.
- Develop competence required for group-living and sharing of responsibilities.
- Gain skills in mobilizing community participation.
- Acquire leadership qualities and democratic attitudes.
- Develop capacity to meet emergencies and natural disasters and
- Practice national integration and social harmony.

SPECIAL DAY NSS CAMPING:

Special Camping forms an integral part of National Service Scheme. It has special appeal to the youth as it provides unique opportunities to the students for group living, collective experience sharing and constant interaction with community.

The primary objectives of the special camping programmes are:-

- Making education more relevant to the present situation to meet the felt needs of the communities and supplement the education of university/college/school students by bringing them face to face with the community situation.
- To provide opportunities to students to play their due roles in the implementation of various development programmes by planning and executing development projects, which not only help in creating durable community assets in rural areas and slums but also result in improvement of the condition of weaker sections of the communities.
- Encouraging the students and non-students youth to work along with the adults in rural areas, thereby developing their character, social consciousness and commitment, discipline and healthy and helpful attitudes towards the community:
- Building up potential youth leaders by exploring the latent potential among the campers, both students as well as local youth (rural and urban), with a view to involve them more intensively in development projects for longer periods.

Chaitanya Ramana Engineering College
(AUTONOMOUS)
TIRUPATI

The local leadership generated during the camps would also be useful in ensuring proper maintenance of the assets created as a result of the camps.

- Emphasizing the dignity of labour and self-help and the need for combining physical work with intellectual pursuits, and
- Encouraging youth to participate enthusiastically in the process of national development, and promote national integration through democratic living and cooperative action.

Chadalawada Ramanamma Engineering College has been organizing NSS Camp every year since its inception in 2004. The objective of this camp was to begin the interface with community, support building with community members and developing understanding of the village keeping in view the rationale of village adoption i.e. develops long term institutional relation with the community and contribution to the upliftment of people therein as well as create awareness among volunteers regarding their responsibilities towards the society. The volunteers participated enthusiastically in the camp under the able supervision of Mr. V. Chengal Reddy, programme officer of NSS unit under the guidance of Dr. Bhaskar Patel, Principal, Chadalawada Ramanamma Engineering College, Tirupati.

In this camp all the student volunteers explained about precautions to avoid health issues by mosquitos and explain about children care and their education and also student volunteers explained about the digitalization of money to the people who don't know. Student volunteers also explained about online education and students distributed face masks to the people and students gave awareness about covid-19.

WORLD ENVIRONMENTAL DAY

Organized by NSS Cell – CREC

05-06-2022

World Environmental Day

The world environment day is celebrated every year on 5th June to raise global awareness to take positive environmental action to protect nature and the planet earth. It is a day that reminds everyone on the planet to get involved in environment friendly activities. From school children to community groups, companies and governments, all come together to pledge towards building a greener planet.

World Environment Day is celebrated to spread awareness among common people about the issues of the environment. Encourage common people from different society and communities to actively participate in the celebration as well as become an active agent in developing environmental safety measures. Encourage people to make their nearby surroundings safe and clean to enjoy safer, cleaner and more prosperous future.

World Environment Day 2022 is hosted by Sweden. "Only One Earth" is the campaign slogan, with the focus on "Living Sustainably in Harmony with Nature".

NSS Program Officer organised World Environmental Day at CREC Engineering College. On this occasion, beloved principal Dr. Bhaskar Patel has delivered his speech emphasising the importance of Plantation in the present era. Principal asked every student to plant a sapling near their houses. Tree plantation was also done in the college ground. On this great occasion, Principal Dr. Bhaskar Patel, NSS Program Officer Mr. V. Chengal Reddy, Staff members and NSS Volunteers participated.

"On World Environment Day, the message is simple: reject single-use plastic. Refuse what you can't re-use. Together, we can chart a path to a cleaner, greener world."

Disha Women Safety App
Organized by NSS Cell – CREC
13-05-2022

Chadalawada Ramanamma Engineering College (Autonomous), Tirupati organized an awareness session on Disha Women Safety App. Mr. Muthyala Rama Krishna, Sub Inspector of Police, Tiruchanur was invited as the speaker of the session. More than 250 girls' students and lady faculty members were participated

The Co-ordinator with the support of co-coordinators from each department has first enrolled the names of all the female students and persuaded them to download the Disha Women Safety App on their mobile phones. Once it is completed, the awareness session was conducted. Mr. V. Chengal Reddy, Assistant Professor, Department of Mechanical Engineering, CREC (A) has been the coordinator for conducting the awareness session along with the speaker.

The Awareness Session was organized on 13-05-2022, Friday from 10:30 AM to 12:00 PM. Honourable Chief Minister, Mr.Y.S. Jagan Mohan Reddy, Andhra Pradesh has launched Disha Online Women Safety App on February 8th 2020.

Functioning of Disha App

Disha App is an initiative taken by the Andhra Pradesh government to protect girls and women from assault by alerting the police. An alert will be sent to the Police control room if a woman in danger uses the app allowing the user to send the message. However, if the woman is not able to press the button then the woman can also send an alert to the police by shaking the smart phone 5 times. This mobile application has a single-touch SOS button that would help the women to alert the police control room and ensure a speedy response.

Android users can download this application from Google Play Store, whereas iOS users can download it from Apple App Store. The registration on the application can be done via mobile number.

The session went on for 90 minutes with number of illustrations by the speaker and further queries of the students were also answered through the interactive session.

Helping Hands to Orphanage People
Organized by NSS Cell – CREC
20-04-2022

Helping Hands To Orphanage People:

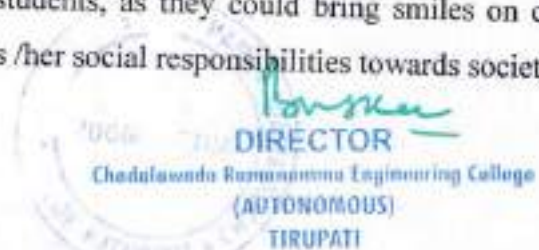

CREC NSS Unit organized Helping Hands to Orphanage People program in association with Electronics and Communications Engineering Department on 24-04-2022.

A total of 60 NSS Volunteers along with faculty members visited Abhyakshetram an Orphanage in Renigunta. Abhyakshetram is home for physically and mentally challenged orphans, destitute women and destitute aged people. 60 student volunteers accompanied by Faculty Coordinators Dr. Narendra, Mr. Ali Asgar, Mrs. Vedavathi & NSS Program Officer Mr.Chengal Reddy visited the place.

Abhyakshetram is an independent Orphanage home run by Dr. S.A.Thasleem Sultana. At present 200 physically and mentally challenged orphans, destitute women and destitute aged people are living in Abhyakshetram.

We reached the Orphanage at around 11:00 AM. The children of Abhyakshetram were very pleasantly excited to receive the members. The students greeted us with great enthusiasm. We also met the caretaker. While interacting with the caretaker, we got to know the history of the orphanage how it was established. After that student volunteers distributed the snacks to the children. The students interacted with the children. They also engaged them with various games and fun activities. All the children looked so excited and joyful.

On this occasion faculty members handed over the basic necessities as a token of love which was collected by the student volunteers from the students and staff of the college for this noble cause to the caretaker. It was indeed very satisfying experience for students, as they could bring smiles on children faces. They realized that one can contribute and understand his /her social responsibilities towards society

Report on
Women's Day
Organized by NSS Cell – CREC
08-03-2022

International Women's Day 2022:

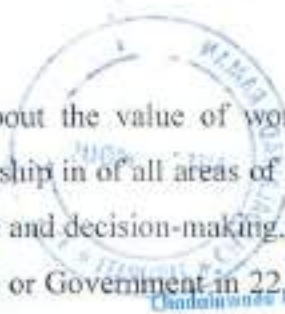

Women are a valuable part of society, they are the key to preserve the human race and in today's world, the importance of women in society is beyond any suspicion. However, to celebrate the social, economic and cultural achievements of women in various walks of life on 8th of March every year Women's day is celebrated across the world. International Women's Day is all about making a difference both locally and globally and providing a better and safe future for the female community around the world.

Our honorable Chairman Dr. Chadalawada Krishna Murthy sir and today's chief guest Ms. Sushimits Patel inaugurated the programme by lightening the lamp and Smt. Chadalawada Sumalatha, Smt. Chadalawada Kavitha, Director, Dr. Bhaskar Patel and Dean Dr. Ramesh Kumar accompanied them.

At first, Director Dr. Bhaskar Patel spoke about the importance of the day and said that the day was celebrated to create a supportive community of women. This is the power of a community-driven approach. When we talk about important social issues like gender equality, it can be difficult to know where to start or how to help. Yet, when the intention is there, a small action can have a much greater impact. It is these small actions that collectively pave the way to the world of gender, race, and social equality.

Dean Dr. P. Ramesh Kumar said that women of the world want and deserve an equal future free from stigma, stereotypes and violence; a future that's sustainable, peaceful, with equal rights and opportunities for all. To get us there, the world needs women at every table where decisions are being made.

Smt. Chadalawada Kavitha garu spoke about the value of women in the world and said that women's full and effective participation and leadership in of all areas of life drives progress for everyone. Yet, women are still underrepresented in public life and decision-making, as revealed in the UN Secretary-General's recent report. Women are Heads of State or Government in 22 countries, and only 24.9 per cent of national parliamentarians are women.

Neeraj
DIRECTOR
(AUTONOMOUS)
TIRUPATI

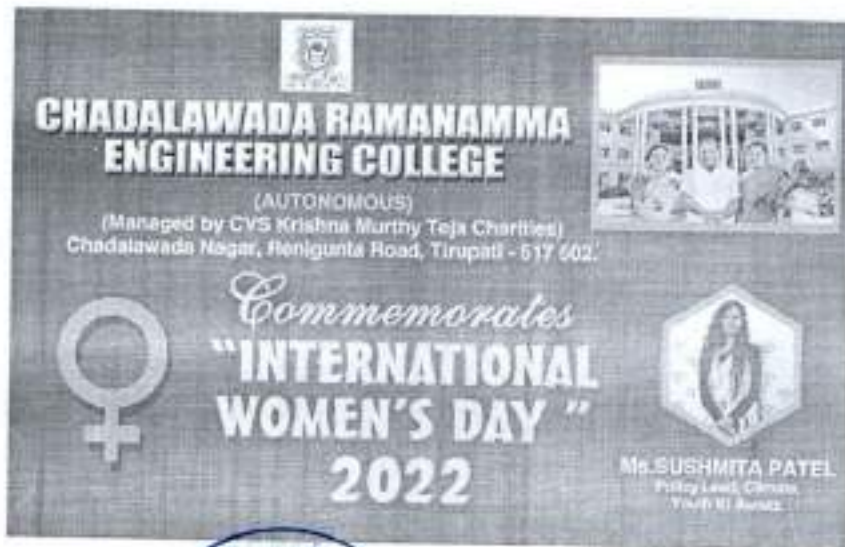

Dr. Bhaskar Patel shared that women, especially young women, are at the forefront of diverse and inclusive movements online and on the streets for social justice, climate change and equality in all parts of the world.

Today's chief guest Ms. Sushmits Patel, Policy Lead, Climate, Youth Ki Awaaz, spoke about the day and how women are treating in the world. This is why; this year's International Women's Day is a rallying cry for Generation Equality, to act for an equal future for all. The Generation Equality Forum, the most important convening for gender equality investment and actions, visionaries, and activists from around the world, safely on a virtual platform, to push for transformative and lasting change for generations to come. She said that the main intention of conducting the International day to encourage the women community.

On the eve of International Women's day, our honorable Chairman distributed sarces to women works of our entire college.

The Coordinator of the programme, all Heads of Department, girl students and faculty members participated and made grand success.

Report on
Republic Day
Organized by NSS Cell – CREC
26-01-2022

Republic Day is celebrated greatly in Chadala Wada Ramanamma Engineering College on 26th January.

All the students, Faculty members, Head of the Departments, Principal ,Dr. Bhaskar Patel garu, and the chairman of Krishna Teja group of institutions Dr. Chadala Wada Krishna Murthy garu have attended the programme.

The program is initiated with the prayer song by the students. The students have commemorated the programme with patriotic songs to give a great honour to India and freedom fighters.

Dr. Bhaskar Patel garu has delivered his valuable speech regarding the history of the Nation, freedom fighters and the prominence of Republic Day. He has also spoken about the Constitution and duties of the youth who are going to be the great citizens of India. He mentions that it's really a great moment to memorise Dr. B. R.Ambedkar who was responsible for the formation of Indian Constitution of our Nation on this occasion.

Dr. Chadala Wada Krishna Murthy garu, the chairman of the Krishna Teja group of Institutions has made his speech about the freedom fighters and the importance of celebrating the Republic Day. He emphasises about the responsibilities of the employees to get an ample of success which lies in being independent of doing a particular work for the Nation. He has delivered his speech about the importance of Elucidation, parents, youth and prosperity of the Nation.

Finally the programme ends with the national anthem with a great privilege and respect to the Indian flag.

NATIONAL POLLUTION CONTROL DAY
Organized by NSS Cell – CREC
02-12-2021

National Pollution Control Day

The pollution prevention day is observed annually on December 2 in India in memory of the people who lost their lives in the tragic 1984 Bhopal Gas Tragedy. National Pollution Control Day is a reminder of the tragedy that showed how pollution and the presence of toxic gases in the environment can be hazardous.

The National Pollution Prevention Day also works towards spreading awareness regarding the pollution caused by industrial processes, industrial disasters and making people aware of the impact of pollution and significance to control the related acts.

The National Pollution Prevention Day remembers the night of 2-3 December when the leak and spread of Methyl Isocyanate gas (toxic) in the plant killed thousands of people. Bhopal Gas Tragedy is still known to be the world's worst industrial disaster to date. The after-effects of the accident were also severe as the increased cases of cancer and birth defects were reported.

The gas leak in the Bhopal disaster exposed over 5 lakh people to poisonous gas. As per the Official Records of the Madhya Pradesh Government, a total of 3,788 people were killed in the Bhopal gas leak and 5,74,366 people had sustained injuries.

National Pollution Prevention Day aims to aware of not only people but the authorities as well regarding the industrial pollutants and the impact they can have on future generations. The pollution control day is not only for the people who lost their lives but to also spread awareness on controlling and managing the industrial disasters which can happen due to human negligence.

All the NSS volunteers, Staff, NSS program officer started a rally from CREC campus giving slogans regarding pollution control strategies.

WORLD AIDS DAY AWARENESS RALLY
Organized by NSS Cell – CREC
01-12-2021

World Aids Day

World AIDS Day, designated on 1 December every year since 1988, is an international day dedicated to make people aware of AIDS disease caused by the spread of HIV infection and mourning those who have died of this disease. Founded in 1988, World AIDS Day was the first ever global health day.

All the NSS volunteers assembled in front of the Mathrudevobhava block. The NSS program officer briefed them about the program. Dr. Bhaskar Patel – Director CREC addressed the gathering at 3 o'clock. He stated that it is our responsibility to create awareness (among the people who are living in and around our campus like Settipalli, Auto nagar and Tukivakam) on the fight against HIV. Every year we are organizing this program.

He urged the students to make our country 'AIDS FREE'. He also said that our country occupies the 3rd place on the globe so far as HIV infected population is concerned. He expressed that 86% of HIV is because of sexual contacts. He further told that almost 90% research had provided medicines to this disease. With good food habits we can also fight against the disease.

All the NSS volunteers, Staff, NSS program officer started a rally from CREC campus giving slogans and reached at Settipalli. Mr. V. Chengal Reddy - NSS program officer made a speech there and made people aware of the plights of AIDS and what precautionary measures should be adopted to fight AIDS.

Constitution day (Samvidhan Divas)

Organized by NSS Cell – CREC

26-11-2021

Constitution day

Constitution Day of India was celebrated on 26 November every year. In 2019, it marks the 70th anniversary of the adoption of the Constitution and raises awareness about the Indian Constitution.

Constitution Day of India is also known as Samvidhan Divas or National Law Day or National Constitution Day.

26 November has its own importance in the history of independent India because on this day in 1949, the Constitution of India was adopted and it came in to effect on 26 January, 1950. Therefore, marking the dawn of a new era. To acknowledge the contribution of the framers of the Constitution and to aggravate the people regarding the prominent values, 26 November is celebrated as the 'Constitution Day'.

On this great occasion CREC NSS cell took an initiative to organize a "Constitution Day" on 26 November. All the NSS volunteers, Staff, NSS program officer and Director Dr. Bhaskar Patel participated in the programme.

THE PREAMBLE OF THE CONSTITUTION

"WE, THE PEOPLE OF INDIA, having solemnly resolved to constitute India into a SOVEREIGN SOCIALIST SECULAR DEMOCRATIC REPUBLIC and to secure to all its citizens:

JUSTICE, social, economic and political;

LIBERTY of thought, expression, belief, faith and worship;

EQUALITY of status and of opportunity;

and to promote among them all FRATERNITY assuring the dignity of the individual and the unity and integrity of the Nation.

Rashtriya Ekta Diwas (National Unity Day)

Organized by NSS Cell – CREC

31-10-2021

Rashtriya Ekta Diwas

Rashtriya Ekta Diwas (National Unity Day) was introduced by the Government of India and inaugurated by Indian Prime Minister Sri Narendra Modi in 2014. The intent is to pay tribute to Vallabhbhai Patel, who was instrumental in keeping India united. It is celebrated on 31 October every year as annual commemoration of the birthday of the Iron Man of India Dr. Sardar Vallabhbhai Patel, one of the founding leaders of Republic of India. The official statement for Rashtriya Ekta Diwas by the Home Ministry of India cites that the National Unity Day "will provide an opportunity to re-affirm the inherent strength and resilience of our nation to withstand the actual and potential threats to the unity, integrity and security of our country."

National Unity Day celebrates the birthday of Patel because, during his term as Home Minister of India, he is credited for the integration of over 550 independent princely states into India from 1947–49 by Independence Act (1947). He is known as the "Bismarck of India".

On this great occasion CREC NSS cell took an initiative to organize an "Integrity Pledge" on 31 October in MBA Seminar hall. All the NSS volunteers, Staff members, NSS program officer and Director Dr. Bhaskar Patel participated in the pledge. The following pledge was undertaken by all the assembled people.

RASHTRIYA EKTA DIWAS PLEDGE

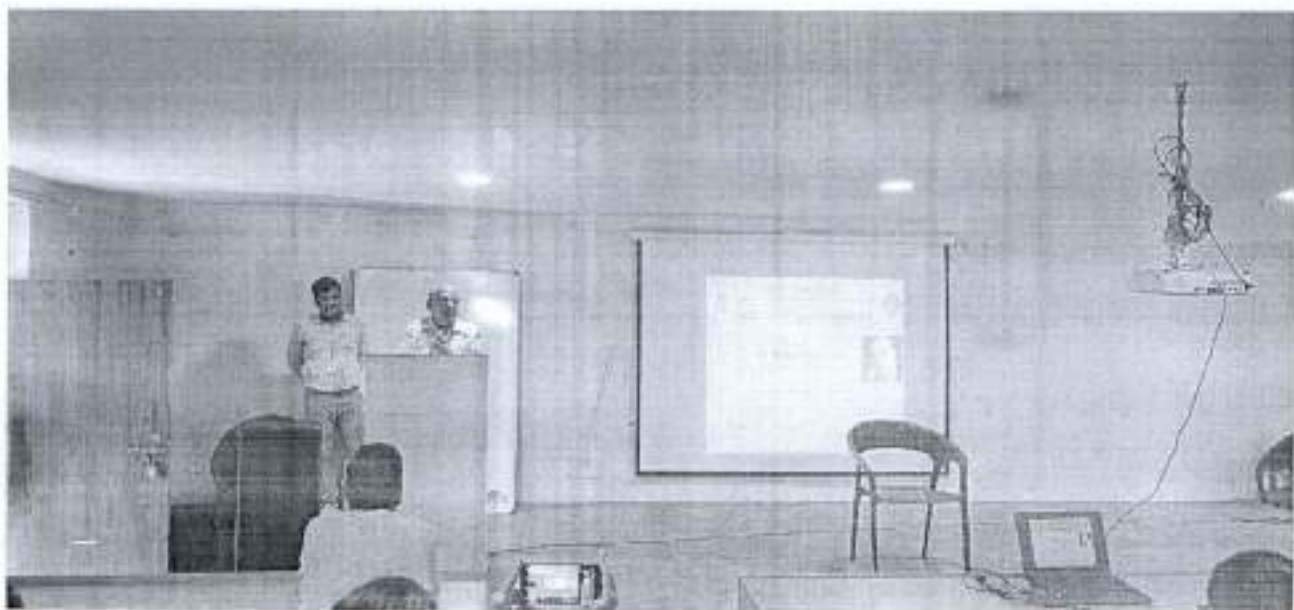

"I solemnly pledge that I dedicate myself to preserve the unity, integrity, security of the nation and also strive hard to spread this message among my fellow countrymen. I take this pledge in the spirit of unification of my country which was made possible by the vision and actions of Sardar Vallabhai Patel. I also solemnly resolve to make my own contribution to ensure internal security of my country".

Report on
Engineers Day Celebrations
Organized by NSS Cell – CREC
15-09-2021

Engineering is not merely knowing and being knowledgeable; engineering is not merely analysis; engineering is not merely the possession of the capacity to get elegant solutions to non-existent engineering problems; engineering is practicing the art of the organized forcing of technological change.

Engineers play a vital role in the development of a nation. Different parts of the country celebrate Engineer's Day to appreciate the contribution of engineers.

Every year September 15 is celebrated as Engineers' Day in India to commemorate one of India's finest engineers, Mokshagundam Visvesvaraya. M Visvesvaraya is considered one of the foremost nation-builders, creating marvels upon which modern India was built. He was referred as the 'precursor of economic planning in India', according to the Institution of Engineers India (IEI). M Visvesvaraya is also known as 'VM Sir' due to his various contributions to the field of engineering and being a pioneer of education.

Born on September 15, 1861, in a small village called Muddenahalli in Karnataka, Visvesvaraya received a degree in civil engineering from Pune College of Engineering. His expertise was in the fields of irrigation and flood disaster management. He rose to fame with his groundbreaking works in these fields with modern irrigation techniques as well as flood control and mitigation.

He later patented and installed an irrigation system with water floodgates at the Khadakvasla reservoir near Pune to raise the food supply level and storage to the highest levels. This was also installed at Gwalior's Tigra Dam and Mysuru's Krishnaraja Sagara (KRS) dam, the latter of which created one of the largest reservoirs in Asia at the time.

While serving as the Dy. Comm of Mysore, he was awarded 'Knight' in 1915 as a commander of the British Indian empire by King George V. He received the Bharat Ratna in 1955. He became a member of

Report on
Teachers Day Celebrations
Organized by NSS Cell – CREC
05-09-2021

Teachers' Day is a special day for the appreciation of teachers, and include celebrations to honor them for their special contributions. The day is celebrated in India to mark the birth anniversary of Dr. Sarvapalli Radhakrishnan who was a staunch believer of education and was a well-known diplomat, scholar, the first President of India and above all a Teacher. When Dr. Radhakrishnan became the president of India in 1962, he was approached by some of his students and friends and requested him to celebrate his birthday. In reply, Dr. Radhakrishnan said, "Instead of celebrating my birthday separately, it would be my proud privilege if September 5 is observed as Teacher's Day". The request showed his love for teaching profession. From then on wards the day is celebrated as Teacher's Day in India.

CREC organized the Teachers day on 5th September in CSE Seminar hall at 4'O clock. The principal of CREC Dr.P.Sanjeeva Rayudu, the Director Dr. Bhaskar Patel and all the faculty members has attended the programme to make the event successful.

The programme has begun with the lightening of the lamp by the higher authorities and Dr. P. Sanjeeva Rayudu and Dr. Bhaskar Patel have shared their valuable experiences with their teachers. They have also delivered their valuable speech about the importance of teacher's day with regard to memorise Dr. Sarvepalli Radhakrishnan. They have also mentioned in their speech that teachers should bring change in each and every individual which symbolises the actual success of a teacher

All the faculty members of CREC have participated in the teacher's day events to make the programme successful one and prizes have been distributed to them. Ms.A. Divya, Assistant Professor, English has read her poem which is written by her to emphasise that teaching is a

noble profession. Dr. Raja Sekhar, Head of the Department of MBA has drawn Dr. Sarvepalli Radha krishnan's picture with his artistic creativity and he has also delivered his poem to give a message that teachers play a prominent role in the society. Mr. Mohammed Rafi, Associate professor, English has delivered his valuable speech about the importance of being a teacher and instincts that a teacher should follow. All the remaining faculty members have made the programme a successful one with their active participation in the events.

Disha Women Safety App

Organized by NSS Cell - CREC

30-07-2021

Chadalawada Ramanamma Engineering College (Autonomous), Tirupati organized an Online awareness session on Disha Women Safety App. Mrs.A.Jyotsna, Para Legal Counsellor, Disha One Stop center, Nellore was invited as the speaker of the session.

The awareness programme has commenced with the appointment of a Chief Co-ordinator - Mrs.B.Vijaya, Associate Professor, Department of Computer Applications, CREC (A) by the Principal, Dr.P.SanjeevaRayudu. Further, the co-ordinator has selected each faculty member from each department of CREC (A) to act as co-coordinators. All the departments of BTECH (EEE, MECH, ECE, and CSE), MBA, MCA & BBA were included under this programme.

The chief Co-ordinator with the support of co-coordinators from each department has first enrolled the names of all the female students and persuaded them to download the Disha Women Safety App on their mobile phones. Once it is completed, the online awareness session was conducted. Dr.G.Anupama, Associate Professor, Department of Management Studies, CREC (A) has been the convener for conducting the online awareness session along with the co-ordinator, Mrs.B.Vijaya, Associate Professor, Department of Computer Applications, CREC (A).

The Online Awareness Session was organized on 30-07-2021, Friday from 2:30 PM to 3:30 PM. Honourable Chief Minister, Mr.Y.S. Jagan Mohan Reddy, Andhra Pradesh has launched Disha Online Women Safety App on February 8th 2020.

Functioning of Disha App

Disha App is an initiative taken by the Andhra Pradesh government to protect girls and women from assault by alerting the police. An alert will be sent to the Police control room if a woman in danger uses the app allowing the user to send the message. However, if the woman is not able to press the button then the woman can also send an alert to the police by shaking the smart phone 5 times. This mobile application has a single-touch SOS button that would help the women to alert the police control room and ensure a speedy response.

DIRECTOR

TIRUPATI

Android users can download this application from Google Play Store, whereas iOS users can download it from Apple App Store. The registration on the application can be done via mobile number.

Objective of the Session

In this direction the present session is organized.

- The main objective of the session is to bring awareness among the female students on the usage of Disha Women Safety App.
- How it works? What could be possible alarming situations in routine life for women?
- What they are supposed to do in uncertain encounters?
- How they could make use of this App to protect them?

All these aspects were discussed by the speaker Mrs.A.Jyotsna. The session was quite informative, educative and enlightening for female students letting them how they have to gear up for the changing norms of the society and balance themselves in various personal and professional arenas.

The session went on for 90 Minutes with number of illustrations by the speaker and further queries of the students were also answered through the interactive session.

Feedback of the Students on the session

Further, a Feedback link is generated among the students through Google Sheets. There was a very positive feedback from the participants applauding the usage and benefits of the Disha Women Safety App. The feedback details on the session are enclosed with the report.

INTERNATIONAL YOGA DAY
Organized by NSS Cell – CREC
21-06-2021

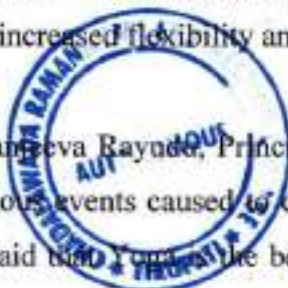

International yoga day

Yoga is a simple and effective way to energize and recharge the body and mind. Since 2015, International day of yoga is celebrated on June 21st, every year because it is the longest day of the year in the Northern hemisphere and has a special significance in many parts of the World. International day of yoga was declared unanimously by the United Nations General Assembly (UNGA) and the date was suggested by Indian Prime Minister Narendra Modi. It is a matter of pride for all the Indians that "Yoga" has got the recognition at the global level. We should be obliged to our ancestors for giving us such an invaluable gift. Yoga not only provides physical and mental relaxation but also develops strength and resilience. The numerous benefits of Yoga make it a popular practice for people across the globe, especially in times of a pandemic when mental and physical health is under stress.

According to the United Nations, the theme for International Yoga Day 2021 is 'Yoga for Well-Being' and how the practice of Yoga can promote the holistic health of every individual. It further elaborates on how the COVID-19 pandemic has caused a huge psychological impact along with the fallouts on the physical health front. "The message of Yoga in promoting both the physical and mental well-being of humanity has never been more relevant," read the official note on International Day of Yoga.

The World Health Organisation (WHO) has mentioned Yoga as a means to improve health in its Global Action Plan for physical activity 2018-30. UNICEF (United Nations Children's Fund) says children can practice many yoga poses without any risk and get the same benefits that adults do. These benefits include increased flexibility and fitness, mindfulness and relaxations.

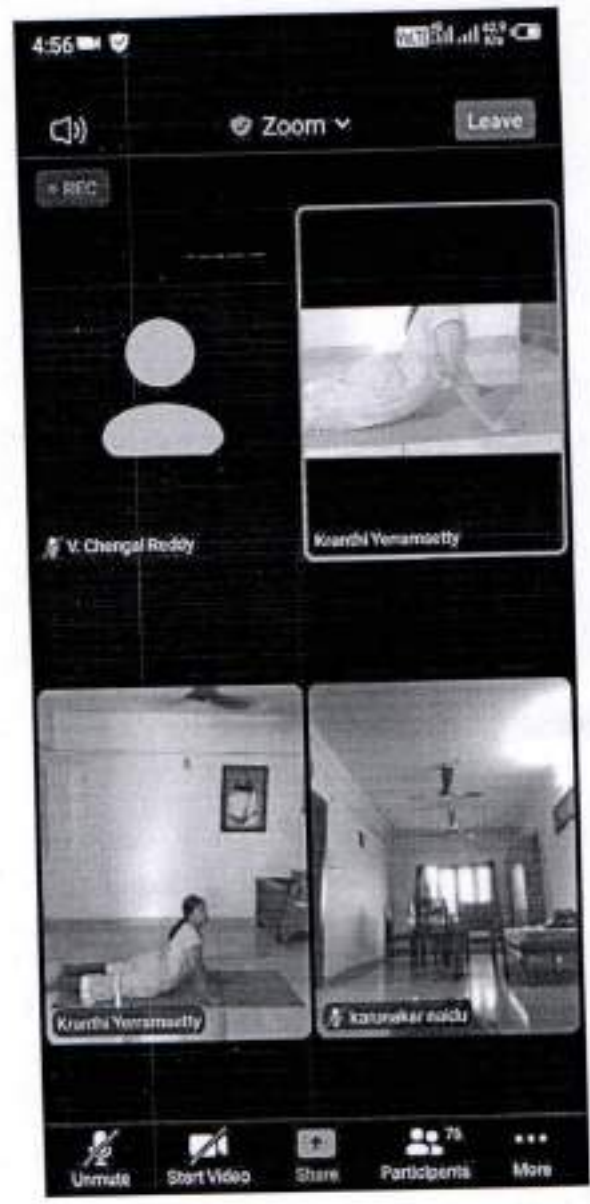

Dr. P. Sangeeta Rayudu, Principal said 'Yoga is an invaluable gift of ancient Indian tradition.' He narrated various events caused to celebrate International Yoga day all over the world. Dr. Bhaskar Patel, Director said that Yoga is the best medicine to solve problems and to keep away from diseases.

WORLD ENVIRONMENTAL DAY

Organized by NSS Cell – CREC

05-06-2021

World Environmental Day

The world environment day is celebrated every year on 5th June to raise global awareness to take positive environmental action to protect nature and the planet earth. It is a day that reminds everyone on the planet to get involved in environment friendly activities. From school children to community groups, companies and governments, all come together to pledge towards building a greener planet.

World Environment Day is celebrated to spread awareness among common people about the issues of the environment. Encourage common people from different society and communities to actively participate in the celebration as well as become an active agent in developing environmental safety measures. Encourage people to make their nearby surroundings safe and clean to enjoy safer, cleaner and more prosperous future.

This year, the theme of World Environment Day is "Reimagine. Recreate. Restore.". The global host for the day in 2021 to highlight the importance of ecosystem restoration is Pakistan.

NSS Program Officer organised World Environmental Day at CREC Engineering College. On this occasion, beloved principal Dr. P. Sanjeeva Rayudu has delivered his speech emphasising the importance of Plantation in the present era. Principal asked every student to plant a sapling near their houses. Tree plantation was also done in the college ground. On this great occasion Honourable Founder Chairman Dr. Chadala Wada Krishna Murthy, Director Prof. Bhaskar Patel, NSS Program Officer Mr. V. Chengal Reddy, Administrative Incharge Sri Krishna and Staff members participated.

"On World Environment Day, the message is simple: reject single-use plastic. Refuse what you can't re-use. Together, we can chart a path to a cleaner, greener world."

Dr. B. R. AMBEDKAR JAYANTHI (130th Birthday)

Organized by NSS Cell – CREC

14-04-2021

Bhimrao Ramji Ambedkar (14 April 1891 – 6 December 1956) popularly known as **Baba Saheb** was an Indian jurist, economist, politician and social reformer who inspired the Dalit Buddhist movement and campaigned against social discrimination against Untouchables (Dalits). He was a great man to organize the Dalit Movement. He also supported the rights of women and laborers. He was independent India's first law minister and the principal architect of the Constitution of India, the biggest and most complex constitution in the world. Due to which he is also known as the Father of the Indian Constitution. He established the Finance Commission of India. The Reserve Bank of India runs on guidelines and ideas formed by Ambedkar.

Beloved Principal Dr. P. Sanjeeva Rayadu in his speech highlighted Ambedkar as a brilliant student earning doctorates in economics from both Columbia University and the London School of Economics. Dr Ambedkar gained reputation as a scholar for his research in law, economics and political science. In his early career he was an economist, a professor, and a lawyer. His later life was marked by his political activities; he got involved in campaigning and negotiations for India's independence, publishing journals, advocating political rights and social freedom for Dalits. He contributed significantly to the establishment of India. He converted to Buddhism in 1956 - initiating mass conversions of Dalits.

The NSS program officer briefed about the importance of that day. He also talked about the life of great personality Bharat Ratna Dr. B.R. Ambedkar. He stated that everybody should have self-respect. He also stated that Dr. B.R. Ambedkar was honoured by the highest civilian award Bharat Ratna in 1990.

DIRECTOR

Chadala Wada Ramanamma Engineering College

This is our great honour to tribute him by celebrating and remembering on his birthday. We have conducted essay writing, elocution and debates for the students about the life history and achievements of Dr. B.R. Ambedkar. Good number of B.Tech, MBA and MCA students participated in the above events. M. Hari Priya III B.Tech ECE secured with first prize, G. Nandini Priya II MBA secured with the second prize for Essay Writing Competition, G. Nandini Priya II MBA secured with the first prize, KV Ram Prasad III B.Tech MECH secured with the second prize for elocution competition. Through this we have enlightened the students about social responsibility.

Take a look at some of Baba Saheb's inspiring quotes below:

- I measure the progress of a community by the degree of progress that women have achieved.
- I like the religion that teaches liberty, equality, and fraternity.
- If I find the constitution being misused, I shall be the first to burn it.
- We must stand on our own feet and fight as best as we can for our rights. So carry on your agitation and organise your forces. Power and prestige will come to you through struggle.

Women's Day

Organized by NSS Cell – CREC

08-03-2021

International Women's Day 2021:

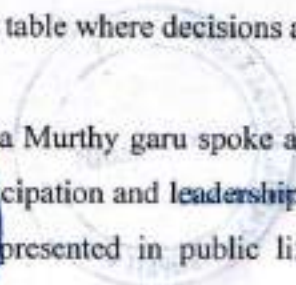

Women are a valuable part of society, they are the key to preserve the human race and in today's world, the importance of women in society is beyond any suspicion. However, to celebrate the social, economic and cultural achievements of women in various walks of life on 8th of March every year Women's day is celebrated across the world. International Women's Day is all about making a difference both locally and globally and providing a better and safe future for the female community around the world.

Our honorable Chairman Dr. Chadala Wada Krishna Murthy sir and today's chief guest Smt. N. P. Komala Raveendra inaugurated the programme by lightening the lamp and Smt. Chadala Wada Sumalatha, Smt. Chadala Wada Kavitha, adviser Prof. K Rajagopal, Director, Dr. Bhaskar Patel and our beloved Principal Dr. Sanjeeva Rayudu accompanied them.

At first, Principal Dr. Sanjeeva Rayudu spoke about the importance of the day and said that the day was celebrated to create a supportive community of women. This is the power of a community-driven approach. When we talk about important social issues like gender equality, it can be difficult to know where to start or how to help. Yet, when the intention is there, a small action can have a much greater impact. It is these small actions that collectively pave the way to the world of gender, race, and social equality.

Adviser Prof. K Rajagopal said that women of the world want and deserve an equal future free from stigma, stereotypes and violence; a future that's sustainable, peaceful, with equal rights and opportunities for all. To get us there, the world needs women at every table where decisions are being made.

Honourable Chairman Dr. Chadala Wada Krishna Murthy garu spoke about the value of women in the world and said that women's free and effective participation and leadership in all areas of life drives progress for everyone. Yet, women are still underrepresented in public life and decision-making, as

K. Rajagopal
DIRECTOR
(AUTONOMOUS)

revealed in the UN Secretary-General's recent report. Women are Heads of State or Government in 22 countries, and only 24.9 per cent of national parliamentarians are women.

Dr. Bhaskar Patel shared that women, especially young women, are at the forefront of diverse and inclusive movements online and on the streets for social justice, climate change and equality in all parts of the world.

Today's chief guest Smt. N. P. Komala Raveendra Principal, RK Model school, Chittoor spoke about the day and how women are treating in the world. This is why; this year's International Women's Day is a rallying cry for Generation Equality, to act for an equal future for all. The Generation Equality Forum, the most important convening for gender equality investment and actions, visionaries, and activists from around the world, safely on a virtual platform, to push for transformative and lasting change for generations to come. She said that the main intention of conducting the International day to encourage the women community.

On the eve of International Women's day, our honorable Chairman distributed sarees to women works of our entire college.

The Coordinator of the programme, all Heads of Department, girl students and faculty members participated and made grand success.

Report on
NATIONAL VOTERS' DAY
Organized by NSS Cell – CREC
25-01-2021

National Voters' Day

In order to encourage more young voters to take part in the political process, Government of India has decided to celebrate 25th January every year as "National Voters' Day". It has been started from January 25th, 2011 to make Commission's foundation day.

NSS student volunteers organized National Voters Day at CREC Engineering College. On this occasion, beloved principal Dr. P. Sanjeeva Rayudu has delivered his speech emphasising the importance of voting in political process. He also opined that for a good society, a good leader is needed and added that all those who are 18 years and above should register as voters' and vote voluntarily without being altered by any external influencers, He raised a slogan – do not cast a vote under a note, do not misuse democracy and urged the NSS students to create awareness on this slogan to every citizen. Honourable Founder Chairman Dr. Chadala Wada Krishna Murthy has interacted with student volunteers with his inspirational words related to divinity, education, perseverance, hardwork and success. He also shared his past political experiences. Chief guest of program Mrs. E. Supraja, Additional Superintendent of Police - Chittoor district has inspired the students by noting the prominence of women laws, emotional balance and she has given an emphasis over "Right to Vote". Guest of honour Mr. A. D. Rangarajan, Chief Correspondent – The Hindu has shared his journalistic experiences and delivered his valuable speech about "Power of Voting". NSS Program Officer Mr. V. Chengal Reddy stated that all those who are 18 years and above should utilize their right to vote and lead the country towards development.

On this great occasion CREC NSS cell took an initiative to organize a "Voters' Pledge" on 25th January in CSE seminar hall. All the NSS volunteers, Staff, NSS program officer, Principal and other dignitaries participated in the pledge. The following pledge was undertaken by all the assembled people.

VOTERS' PLEDGE

"We, the citizens of india, having abiding faith in democracy, hereby pledge to uphold the democratic traditions of our country and the dignity of free, fair and peaceful elections, and to vote in every election fearlessly and without being influenced by considerations of religion, race, caste, community, language or any inducement".

Encourage new faces in polls, voters told

SPECIAL CORRESPONDENT TIRUPATI

TTD trust board former chairman and ex-M.L.A. Chadalawada Krishnamurthy has appealed to the young voters to move away from the beaten track and encourage new faces in elections.

TTD Board former Chairman C. Krishnamurthy (right) and CREC Principal P. Sanjeeva Rayudu taking a pledge.

Addressing the 'National Voters' Day' meet held at Chadalawada Ramanamma Engineering College here on Monday, the educational group's chairman delivered the inaugural address when he stayed political leaders for encouraging hereditary politics.

Hailing Prime Minister Narendra Modi for making it to the top from being an insignificant 'chawala', Mr. Krishnamurthy asked the newly-enrolled voters to give a chance to meritorious candidates having the potential to bring a change in the political system.

Additional Superinten

dent of Police (Tirupati Urban) E. Supriya wondered why students - induced more interest to apply for a passport rather than their voter identity card and lamented at this 'skewed' preference of the younger generation.

College Principal P. Sanjeeva Rayudu narrated his experiences in a rural segment two decades back when he served as the polling officer.

Constitution day

Constitution Day of India was celebrated on 26 November every year. In 2019, it marks the 70th anniversary of the adoption of the Constitution and raises awareness about the Indian Constitution. Constitution Day of India is also known as Samvidhan Divas or National Law Day or National Constitution Day.

26 November has its own importance in the history of independent India because on this day in 1949, the Constitution of India was adopted and it came in to effect on 26 January, 1950. Therefore, marking the dawn of a new era. To acknowledge the contribution of the framers of the Constitution and to aggravate the people regarding the prominent values, 26 November is celebrated as the 'Constitution Day'.

On this great occasion CREC NSS cell took an initiative to organize a "Constitution Day" on 26 November. All the NSS volunteers, Staff, NSS program officer and Principal Dr. P. Sanjeeva Rayudu participated in the programme.

THE PREAMBLE OF THE CONSTITUTION

"WE, THE PEOPLE OF INDIA, having solemnly resolved to constitute India into a SOVEREIGN SOCIALIST SECULAR DEMOCRATIC REPUBLIC and to secure to all its citizens:

JUSTICE, social, economic and political;

LIBERTY of thought, expression, belief, faith and worship;

EQUALITY of status and of opportunity;

and to promote among them all

Rashtriya Ekta Diwas (National Unity Day)

Organized by NSS Cell – CREC

31-10-2020

Rashtriya Ekta Diwas

Rashtriya Ekta Diwas (National Unity Day) was introduced by the Government of India and inaugurated by Indian Prime Minister Sri Narendra Modi in 2014. The intent is to pay tribute to Vallabhbhai Patel, who was instrumental in keeping India united. It is celebrated on 31 October every year as annual commemoration of the birthday of the Iron Man of India Dr. Sardar Vallabhbhai Patel, one of the founding leaders of Republic of India. The official statement for Rashtriya Ekta Diwas by the Home Ministry of India cites that the National Unity Day "will provide an opportunity to re-affirm the inherent strength and resilience of our nation to withstand the actual and potential threats to the unity, integrity and security of our country."

National Unity Day celebrates the birthday of Patel because, during his term as Home Minister of India, he is credited for the integration of over 550 independent princely states into India from 1947–49 by Independence Act (1947). He is known as the "Bismarck of India".

On this great occasion CREC NSS cell took an initiative to organize an "Integrity Pledge" on 31 October in Seminar hall. All the NSS volunteers, Staff, NSS program officer and Principal Dr. S. Mallikarjunaiah participated in the pledge. The following pledge was undertaken by all the assembled people.

RASHTRIYA EKTA DIWAS PLEDGE

"I solemnly pledge that I dedicate myself to preserve the unity, integrity, security of the nation and also strive hard to spread this message among my fellow countrymen. I take this pledge in the spirit of unification of my country which was made possible by the vision and actions of Sardar Vallabhai Patel. I also solemnly resolve to make my own contribution to ensure internal security of my country".

Teachers Day Celebrations
Organized by NSS Cell – CREC
05-09-2020

Teachers' Day is a special day for the appreciation of teachers, and include celebrations to honor them for their special contributions. The day is celebrated in India to mark the birth anniversary of Dr. Sarvapalli Radhakrishnan who was a staunch believer of education and was a well-known diplomat, scholar, the first President of India and above all a Teacher. When Dr. Radhakrishnan became the president of India in 1962, he was approached by some of his students and friends and requested him to celebrate his birthday. In reply, Dr. Radhakrishnan said, "Instead of celebrating my birthday separately, it would be my proud privilege if September 5 is observed as Teacher's Day". The request showed his love for teaching profession. From then on wards the day is celebrated as Teacher's Day in India.

CREC organized the Teachers day on 5th September in MBA Seminar hall at 4'O clock. As opening remarks The NSS volunteers invited the Chief Guest of the event Dr. S. Mallikarjunaiah, Principal, and HODs of various departments.

All the dignitaries addressed the gathering and wished all the teachers and expressed their feelings on this great occasion. The Chief Guest shared his experiences and also his golden moments with the students of CREC. He delivered an anecdote about Dr.Sarvepalli Radha Krishnan and explained the importance of teachers in everyone's life.

The students were given chance to speak about the experiences in the college about their teachers. The students felicitated all the faculties and the faculties gave their blessings to the students.
